RECITALS

The Common Council (the “**Governing Body**”) of the City of Green Bay, Wisconsin (the “**City**”) makes the following findings and determinations:

1. The City is in need of funds for the following purposes: \$5,540,000 for street improvements; \$1,410,000 for sewerage improvements, including, but not limited to, sanitary sewer improvements; \$655,000 for parking lots or other parking facilities; \$1,020,000 for fire engines and other equipment of the fire department; \$900,000 for parks and public grounds, including, but not limited to, building and facility improvements, property acquisition for creation and expansion of parks, and improvements to walkways, trails, and bridges; and \$7,410,000 to provide financial assistance to blight elimination, slum clearance, community development, redevelopment, and urban renewal programs and projects, including, but not limited to, (i) a developer grant, the purchase of property, environmental remediation, and site preparation to provide for the construction of the Schreiber Foods corporate offices within the City’s Tax Incremental District No. 13, and (ii) a developer grant to Broadway Automotive to provide for expansion and improvements to its property in the City’s Tax Incremental District No. 16 (collectively, the “**Project**”).

2. On the date hereof and prior to the adoption of this resolution, the Governing Body has adopted separate initial resolutions for each of the purposes above that collectively constitute the Project.

3. The City may choose to issue one or more separate series of obligations to finance portions of the Project.

4. The Governing Body deems it in the best interests of the City that the funds needed be borrowed in the aggregate amount stated above and for the purposes of the Project and the Taxable Project, pursuant to the provisions of Chapter 67 of the Wisconsin Statutes, and upon the terms and conditions set forth below.

RESOLUTIONS

The Governing Body resolves as follows:

Section 1. Authorization to Combine and Purposes of Obligations.

The purposes of the Project are each hereby authorized to be undertaken and are hereby authorized to be combined into a single bond issue designated as "Corporate Purpose Bonds" (the "**Bonds**") as more fully provided below; *provided, however*, that (i) the City may choose to issue one or more separate series of obligations to finance portions of the Project, and (ii) the City shall issue a separate series of "Taxable Community Development Bonds" to finance on a taxable basis the portion of the Project which does not qualify for tax-exempt financing (the "**Taxable Bonds**", and together with the Bonds, the "**Obligations**").

Section 2. Authorization of Issuance of Obligations.

For the purposes of the Project, there shall be, and there are hereby, authorized and ordered to be prepared, executed, and issued, in two or more series, fully registered, negotiable, general obligation bonds of the City, in an aggregate principal amount not to exceed \$16,935,000. The Obligations will be issued under and by virtue of the provisions of Chapter 67 of the Wisconsin Statutes.

Section 3. Authorization of Sale of Obligations.

The Bonds and the Taxable Bonds are each hereby authorized and ordered to be sold to the same or separate purchasers to be determined by competitive bid (each a "**Purchaser**").

Section 4. Preparation of Official Statement and Notice of Sale.

The Mayor, the Clerk, and the Finance Director of the City (in consultation with the City's Financial Advisor, Robert W. Baird & Co. Incorporated) are each hereby authorized to cause a preliminary offering document for the Obligations (the "**Official Statement**") to be prepared and distributed to any banks, underwriters, investment houses, or the like deemed to be advisable, and to enclose therewith a separate "**Notice of Sale**" and "**Bid Form**". The Mayor and the Clerk are hereby authorized, on behalf of the City, to approve the form of Official Statement and determine it to be deemed final as of its date for purposes of Securities and Exchange Commission Rule 15c2-12(b)(1), and to supply copies of the Official Statement upon request.

The Clerk is hereby further authorized and directed to cause notice of the sale of the Obligations to be (i) provided to *The Bond Buyer* for inclusion in its complimentary section for the publication of such notices, and (ii) posted in the locations that the City routinely uses for posting notices of its official business.

Section 5. Bids for Obligations.

Written bids for the sale of the Obligations shall be received by the City on the date fixed in each Notice of Sale, on which date such bids shall be publicly opened and read. The Governing Body reserves the right in its discretion, to waive any informality in any bid, to reject any or all bids without cause, and to reject any bid which it determines to have failed to comply with the terms of a Notice of Sale.

Section 6. Further Actions.

1. The City is in need of funds to finance system upgrades and building improvements to City Hall, and the purchase of equipment for the public works department (collectively, the “**Project**”).

2. The Governing Body deems it in the best interests of the City that the funds needed for the Project be borrowed, pursuant to the provisions of Section 67.12 (12) of the Wisconsin Statutes and upon the terms and conditions set forth below.

RESOLUTIONS

The Governing Body resolves as follows:

Section 1. Authorization of Issuance and Purposes of Notes.

Under and by virtue of the provisions of Section 67.12 (12) of the Wisconsin Statutes, the City shall issue its negotiable general obligation promissory notes in an aggregate principal amount of approximately \$995,000 (the “**Notes**”) to finance the Project; *provided, however*, that the Notes shall be sold and issued in whole or in part from time to time in such amount or amounts as shall be within the limits provided by law.

Section 2. Authorization of Sale of Notes.

The Notes are hereby authorized and ordered to be sold to a purchaser to be determined by competitive bid (the “**Purchaser**”)

Section 3. Preparation of Official Statement and Notice of Sale.

The Mayor, the Clerk, and the Finance Director of the City (in consultation with the City’s Financial Advisor, Robert W. Baird & Co. Incorporated) are each hereby authorized to cause a preliminary offering document for the Notes (the “**Official Statement**”) to be prepared and distributed to any banks, underwriters, investment houses, or the like deemed to be advisable, and to enclose therewith copies of a “Notice of Sale” and a “Bid Form”. The Mayor and the Clerk are hereby authorized, on behalf of the City, to approve the form of Official Statement and to deem it final as of its date for purposes of Securities and Exchange Commission Rule 15c2-12(b)(1), and to supply copies of the Official Statement upon request.

The Clerk is hereby further authorized and directed to cause notice of the sale of the Notes to be (i) provided to *The Bond Buyer* for inclusion in its complimentary section for the publication of such notices, and (ii) posted in the locations that the City routinely uses for posting notices of its official business.

Section 4. Bids for Notes.

Written bids for the sale of the Notes shall be received by the City on the date fixed in the Notice of Sale, on which date such bids shall be publicly opened and read. The Governing Body reserves the right in its discretion, to waive any informality in any bid, to reject any or all bids without cause, and to reject any bid which it determines to have failed to comply with the terms of the Notice of Sale.

Section 5. Further Actions.

The issuance of the Notes shall be subject to the condition that the Governing Body has adopted a resolution to award the sale of the Notes to the Purchaser, to approve the purchase contract submitted by the Purchaser to evidence the purchase of the Notes, which may be in the form of an executed bid form (the “**Note Purchase Agreement**”), to fix the interest rate or rates on the Notes in accordance with the Note Purchase Agreement, to provide for the form of the Notes, to set forth any early redemption provisions, to levy taxes to pay the principal of, and interest on, the Notes as required by law, to designate a fiscal agent for the Notes, and to take such further action as may be necessary or expedient to provide for the preparation, execution, issuance, delivery, payment, and cancellation of the Notes.

**RESOLUTION REGARDING LEGISLATION TO
ELIMINATE PERSONAL PROPERTY TAXES AND
STATE AID FOR THE COMPUTER TAX EXEMPTION**

May 19, 2015

BY THE COMMON COUNCIL OF THE CITY OF GREEN BAY:

WHEREAS, it is known that certain state legislators are planning to introduce legislation to eliminate the personal property tax in Wisconsin as well as the state aid for the computer tax exemption; and

WHEREAS, \$290 million of personal property taxes was collected by local governments in the State of Wisconsin in 2014; and the loss of this tax base would significantly shift the tax burden to residential homeowners and other classes of property; and

WHEREAS, the elimination of personal property taxes would reduce the City of Green Bay's assessed valuation by \$292,173,300, resulting in an increase in the City's assessed tax rate of approximately 5% or raising the City's mill rate from \$8.86 to \$9.31 based on the 2015 budget; and

WHEREAS, the elimination of the personal property tax will result in a reduction in the incremental levy for most existing Tax Incremental Finance districts and will create lower increments for future TIF districts; and

WHEREAS, the elimination of personal property taxes will also increase the tax burden for residents of the City of Green Bay through their property taxes for Brown County, Green Bay Area Public Schools, Northeast Wisconsin Technical College, and the State of Wisconsin; and

WHEREAS, the State of Wisconsin has been making payments to local governments since 2001 to offset the loss of tax base which occurred when the state exempted business computer equipment from personal property taxes; and

WHEREAS, the loss of state payments for the computer exemption would total \$1,484,745 for the City of Green Bay, including \$798,375 for the City's General Fund budget and \$686,370 for the City's TIF districts.

NOW, THEREFORE, BE IT RESOLVED, that the City of Green Bay opposes legislation to eliminate personal property taxes as well as state aid for the computer tax exemption unless the state provides a permanent revenue source other than property taxes to prevent a shift in the tax burden to homeowners and other classes of property.

GENERAL ORDINANCE NO. 12-15

AN ORDINANCE CREATING SECTION 6.39, GREEN BAY MUNICIPAL CODE, RELATING TO MOBILE FOOD ESTABLISHMENTS

THE COMMON COUNCIL OF THE CITY OF GREEN BAY DOES ORDAIN AS FOLLOWS:

SECTION 1. Section 6.39, Green Bay Municipal Code, is hereby created as follows:

6.39 MOBILE FOOD ESTABLISHMENTS.

(1) DEFINITIONS.

(a) "Mobile Food Establishment" means a restaurant or retail food establishment where food is served or sold from a movable vehicle or trailer, which

periodically or continuously changes location and requires a service base to accommodate the unit for servicing, cleaning, inspection and maintenance or except as specified in the Wisconsin Food Code. For purposes of this subchapter, mobile food establishments do not include any hand or push-cart devices or businesses operating as ice cream trucks.

(b) "Mobile" shall mean the state of being in active, but not necessarily continuous, movement.

(c) "Mobile Food Vendor" means the registered owner of a mobile food establishment or the owner's agent or employee, or any business which sells edible goods from a mobile food establishment within the City of Green Bay.

(d) "Edible Goods" shall include but are not limited to:

1. Prepackaged food including, but not limited to, candy, beverages, and ice cream.
2. Prepared food including, but not limited to, hot dogs, desserts, and pizza.
3. On-site prepared food including, but not limited to, shaved ice, sandwiches, and tacos.

(e) "Sell" shall mean the act of exchanging a good for profit or in return for a donation.

(f) "Vehicle" shall mean any motor vehicle as defined by Wis. Stats. §340.01(35) or trailer as defined by Wis. Stats. §340.01(71).

(g) "Vend" shall mean to sell or to transfer the ownership of an article to another for a price in money.

(2) LICENSE REQUIRED.

(a) No mobile food vendor and/or mobile food establishment shall vend, sell or dispose of or offer to vend, sell or dispose of goods, wares or merchandise, produce or any other thing at any place whatsoever in the City of Green Bay, without having obtained an approved license from the City Clerk.

(b) LICENSE. Every mobile food vendor shall have a license issued by the City Clerk to conduct business in the City of Green Bay. Each mobile food establishment shall be licensed separately. A mobile food establishment license shall expire on October 1 each year.

(c) LICENSE FEE. The license to operate a mobile food establishment shall be \$500.00. If an applicant requests a license under this subchapter from an existing City

of Green Bay based business that sells same or similar products, the license fee shall be \$300.00.

(d) LICENSE RENEWAL. Upon renewal of license, each applicant must provide a new application, a renewal fee of \$250.00, and any new permitting documentation upon the license renewal. License renewal from an existing City of Green Bay based business shall be \$150.00. If the applicant fails to submit the application and renewal fee within 30 calendar days after the expiration of the license, the applicant shall reapply as a new applicant.

(e) TRANSFER OF LICENSE. A license issued under this subchapter shall be not transferable from person to person. A license is valid for one vehicle only and shall not be transferrable between vehicles.

(f) CONTINUED USE. A license which has been granted but not in continuous use in a manner indicating an ongoing business for a period of 90 days is presumed invalid and shall be subject to revocation unless authorized by the Common Council.

(g) SURRENDER OF LICENSE; ALTERATION OF LICENSE; FAILURE TO DISPLAY LICENSE. On the expiration of a license issued under this subchapter, the license holder shall surrender the license to the City Clerk. No person shall alter or change in any manner any license issued under the provisions of this subchapter, and such alteration or the failure of the holder of the license to display the license in a conspicuous place on the mobile unit or his or her person or to exhibit the license upon demand of any officer or customer or prospective vendee shall be cause for revocation of such license.

(3) LICENSE APPLICATION PROCESS.

(a) APPLICATION. Any person desiring to operate a mobile food establishment shall apply for a license on a form promulgated by the City Clerk and pay the proper license fee for each mobile food establishment managed by the person. The Clerk shall forward the application to the Police Department for review. If the Police Department approves the application, the Clerk shall issue the license to the applicant.

(b) APPLICATION DENIAL. An applicant of a mobile food establishment may be denied where:

1. The circumstances of a pending criminal charge against the applicant substantially relate to the licensed activity.

2. The applicant has been convicted of any felony, misdemeanor or other offense, the circumstances of which substantially relate to the circumstances of the particular job or licensed activity.

3. The applicant made a false statement on the application.

4. The applicant is under 18 years old.

5. The applicant is found to have unpaid civil judgment(s) which relates to the duties and responsibilities of the permitted occupation which shall be determined by the nature and the amount of the judgment, the relationship of the judgment to the purpose of the permit and the extent that the permit would allow someone to engage in further activity that would lead to unsatisfied civil judgments.

(c) APPEAL. If the Police Department denies an application for a license, the applicant may appeal within 15 days after the Clerk mails a notice of denial to the applicant. If the applicant files a timely appeal with the Clerk, the Clerk shall schedule an appeal hearing before the Protection and Welfare Committee.

(d) HEARING BEFORE COMMITTEE. The Committee may approve any application placed on its agenda only if the applicant is qualified under this section and may place conditions upon approval. The Common Council shall affirm, reverse or modify the Committee's decision.

(e) ISSUANCE. The Clerk shall issue the mobile food establishment license if the applicant has completed the application requirements and has been approved by the Police Department.

(4) LICENSE SUSPENSION OR REVOCATION. The Common Council may revoke or suspend, no less than 10 and not more than 90 days, any license under this subchapter for violation by any vendor or the vendor's employee or agent of any provision of this chapter or any State law or City ordinance which renders future vending contrary to the public health, safety or welfare, or for fraud or misrepresentation in solicitation under this chapter.

(5) INSURANCE.

(a) LIABILITY INSURANCE. The license holder under this subchapter shall have in force liability insurance for each mobile food establishment.

(b) PROOF OF INSURANCE. As evidence of liability insurance, the licensee shall furnish a certificate of insurance, on a form acceptable to the City, evidencing the existence of adequate liability insurance naming the City of Green Bay, its employees and agents as additionally insured in an amount not less than \$1,000,000. Whenever such policy is cancelled, not renewed, or materially changed, the insurer and the licensee shall notify the City of Green Bay by certified mail.

(6) CONDUCT OF BUSINESS.

(a) REGULATIONS GENERALLY. The following regulations shall apply to mobile food establishments during the regular order of business:

1. A licensee shall not falsely or fraudulently misrepresent the quantity, character or quality of any article offered for sale or offer for sale any unwholesome or tainted edible goods, nor intentionally misrepresent to any prospective customer the purpose of his or her solicitation, the name of the business of his or her principal, if any, the source of supply of the goods, ware or merchandise which he or she sells or offers for sale or the disposition of the proceeds of his or her sales.

2. A licensee shall not use the license provided by the City after expiration or revocation of the license.

3. A licensee shall keep the premises in a clean and sanitary condition and the edible goods offered for sale well covered and protected from dirt, dust and insects. All food vendors shall comply with requirements of state and local authorities.

4. A licensee may vend, sell or dispose of, or offer to sell, vend, or dispose of goods, wares, or merchandise in the City of Green Bay between the hours of 6:00 a.m. and 9:00 p.m. All sales within the portion of the downtown district of Green Bay, as defined and displayed in Exhibit A under this subchapter, shall be allowed between the hours of 6:00 a.m. and 3:00 a.m.

5. No mobile food establishment shall conduct business at a stationary location for a duration exceeding four hours per location per day.

6. All persons conducting business on a sidewalk or terrace must maintain, within 25 feet of their sales location, a clean and hazard-free condition and shall not discharge any material onto the street, sidewalk, gutters or storm drain. Each person conducting business on a sidewalk or terrace under the provisions of this chapter shall carry a minimum 30-gallon container for placement of such litter by customers or other persons.

7. A vehicle or other on-street unit which is operated for the purpose of selling food from the unit shall be operated only by a person who has obtained a license or by the employee of the person who obtained a license under this subchapter.

8. No person may sell or vend any item upon any premise(s) if there is placed signage prohibiting the activity.

9. All business activity relating to the mobile food establishments in the public right-of-way shall be conducted from the curbside of the vehicle at all times. No sales shall be made from a vehicle except from the curbside of said vehicle, unless otherwise authorized by the owner of private property.

10. No food service shall be prepared, sold, or displayed outside of the mobile food establishment.

11. No person shall provide or allow any dining area to the mobile food establishment, including but not limited to tables and chairs, booths, stools, benches or stand up counters.

12. Signage may only be permitted when placed on the mobile food establishment. No separate free-standing signs are permitted.

(b) VEHICLE REGULATIONS.

1. Any vehicle or other on-street units used for vending food in any public street must be designed and constructed specifically for the purpose of vending the product or products to be vended.

2. Amplified music or other sounds from any vehicle or unit used for the purpose of vending products in the public streets shall comply with Chapter 27, Subchapter II, Green Bay Municipal Code.

3. All mobile food establishments shall be entirely self-contained in regards to gas, water, electricity, and equipment(s) required for operation of the unit.

4. All mobile food establishments used for vending food shall be licensed for such use by the Brown County Department of Health and all other applicable agencies.

5. All mobile food vehicles must have valid license plates and registration as provided by Chapter 341 of the Wisconsin Statutes.

6. No vehicle or unit may violate any traffic or parking statute or ordinance when stopping to make sales. Meter bags will not be issued to license holders under this subchapter.

7. No flashing or blinking lights or strobe lights are allowed on a mobile food establishment or related signage when the establishment is parked and engaged in serving customers. All lighting is subject to review by the City of Green Bay Traffic Engineer and shall be removed if deemed to be in conflict with safe travel.

8. No mobile food establishment shall exceed 36 feet in length. Excluding canopies, umbrellas, or transparent enclosures, no mobile food vehicle or unit shall exceed 8 feet in height.

(c) ZONING RESTRICTIONS.

1. The vendor of the mobile food establishment shall not operate in a congested area where such operation impedes or inconveniences public use. No vendor shall engage in the licensed business on any public park, playground, school, library or other public premises.

2. No more than two mobile food establishments shall be allowed to conduct business on private property.

3. No mobile food vendor shall be located on any private property without written permission from the property owner. A copy of the written permission shall be kept in the mobile food unit at all times. The mobile food vendor shall comply if asked to leave the private property by the property owner or a city official.

4. No mobile food establishment shall conduct business within 500 feet of any fair, festival, special event or civic event that is licensed or sanctioned by the City of Green Bay unless the licensee has obtained written permission from the event sponsor.

5. A mobile food establishment shall be located on a paved surface at all times unless it is part of a City sanctioned special event.

6. No person may conduct business on a sidewalk in any of the following places:

- a. Within 20 feet of the intersection of the sidewalk with any other sidewalk.
- b. Within 10 feet of the extension of any building entrance or doorway to the curb line.
- c. Within 50 feet of the main entrance of any business selling same or similar products during the hours the particular business is open for sale of products, unless written permission is granted by the business.

7. A mobile food establishment may be permitted in all zoning districts except within any residential zoning district.

(d) EXEMPTIONS.

1. Upon application and approval from the Protection and Welfare Committee, the licensee may periodically and infrequently extend the hours of service of the mobile food establishment outside the designated zone displayed in Exhibit A from 6:00 a.m. to 3:00 a.m. for business purposes only. This exemption shall not be applicable in any residential zoning district.

2. Upon application and approval from the Protection and Welfare Committee, the owner of private property may allow more than two mobile food establishments to conduct business on said property during the normal hours of operation.

3. For event purposes, a mobile food establishment may conduct business on publicly-owned property after the approval from the Parks Department and the Department of Public Works.

(7) PENALTIES. A licensee or vendor who violates any provision of this subchapter or any regulation, rule, or order made hereunder shall be subject to a forfeiture of not less than \$1 nor more than \$1,000 for each offense.

SECTION 2. All ordinances, or parts of ordinances, in conflict herewith are hereby repealed.
